WHO WILL MY CHILD HAVE FOR AN INSTRUCTOR?

Students are assigned an instructor on the first day. Your child will receive a dot on the back of their pass indicating the name of their instructor. This is yours and our way of keeping track of whom your child has for an instructor and what level they are. There will be a list of children, level and pros posted outside of the Treehouse at the end of the day.

CAN MY CHILD HAVE THE SAME INSTRUCTOR AS LAST YEAR?

WE TRY! This depends on the number of children returning, etc. Returning pros may contact you prior to start up, if you are unsure if your child's pro is returning you may contact them prior to the first day as well.

CAN MY CHILD BE IN A CLASS WITH HIS/HER FRIENDS?

We do our best to keep friends together. They must be of the same skiing ability. If they are not the same level they will ski at the lower ability. We do not assign children until the first day to a class, so there is no need to call in advance. Try to come together on the first day.

CAN MY CHILD SKIP CLASSES AND GET MAKEUP DAYS AT NO ADDITIONAL COST?

Please make ALL Saturdays. Our goal is to try and keep your child in the same class. There are no makeup days or refunds for missed classes.

CAN I STAY AND BE A PART OF THE LESSON IF MY CHILD IS NERVOUS?

Our goal is for your child to have a fun, happy and healthy experience. Please observe your child from a distance. If you have concerns about your child's well being, please speak with the ski pro and check back by 11:00 AM.
