### Parent helpful hints

- \* *BRING YOUR CHILD COMPLETELY DRESSED WITH SKI BOOTS ON.*
- \* *Please take the time to label all belongings and skis.*
- \* *Do not bring ski poles on the first week, unless you are Level 5.*
- \* *Apply sunscreen and lip protection.*
- \* *Eye protection is required. Goggles work best.*
- \* *Helmets are required for all children participating in AVSC programs.*
- \* *We suggest that you contact local ski shops for seasonal rentals. Skis should be between chin and nose length.*
- \* *No skis will be stored overnight at The Hideout.*

*WE ARE NOT RESPONSIBLE FOR LOST ARTICLES*

***If you have any questions please call Peg at Powder Pandas  
920-0940***

## Parking Information – Buttermilk

Be aware that Buttermilk will still be tearing down the X-Games during the first few AVSC program days. To ensure your safety navigating through the parking lot, please take note of the following guidelines.

### **For drop off only:**

Enter the lot through the entrance located closest to highway 82 and continue straight ahead up to The Hideout. A parking attendant will direct you to the 30 minute lot. All vehicles must pull into a parking space. No vehicles will be allowed to stop in the traffic lane or in front of The Hideout. Remember, this is for your child's safety and also to prevent traffic jams.

### **For all day parking:**

There is limited all day free parking at Buttermilk. Enter the lot through the entrance located closest to highway 82. But remember the spaces are very limited, especially on the first program weekend. If you want to stay all day it is best to take public transportation.

### **Walking to the meeting area:**

After parking, proceed out of the lot and to the left. Follow the walkway to The Hideout.

Please think safety first as you travel through the Buttermilk parking lot and respect the parking attendants as they direct you. It is very important that you stay to the areas cleared for AVSC use. Remember, there will still be heavy equipment working in the other areas.

Any questions, please call Base Camp Director Trish Shepard on 970.205.5160 or email [tshepard@teamavsc.org](mailto:tshepard@teamavsc.org)

## Control List: Is your child prepared for the mountain?

### Clothes:

- Exterior Clothes:** pants, jacket, gloves and neck gator (jackets must be waterproof and warm).
- Eye protection:** Goggles or sunglasses – goggles are preferred as weather can change quickly!
- Sun protection: Sunscreen for face and lips (even on a cloudy day!)
- \*\* All participants MUST have a helmet. Helmets are mandatory for AVSC participants!\*\***

### Equipment:

- Bring your snowboard or your skis – have your boots on!**
- Skiers: Do not forget your ski poles! (Except beginners)*  
(equipment should be between the chin and the nose)

### Lift pass: Please bring your full season pass - have this in left jacket pocket

- Do not forget to bring your ski pass. If you do forget, tell your instructor straight away. Aspen Skiing Company only issue one free replacement pass, per person, per season.

**\*\*If you do not have your pass, please take your AVSC pass voucher to any Aspen Skiing Company Ticketing Office and get your photo taken and your pass.**
