

2023– 2024 AVSC Competition Scholarship Application

Aspen Valley Ski & Snowboard Club appreciates the rich tradition of our athletes competing at the highest levels. AVSC recognizes that chasing your dreams can become expensive. To help ease this burden and keep our athletes on the road to excellence, AVSC will provide grants of up to \$1,500 to deserving junior athletes.

QUALIFYING CRITERIA FOR AVSC COMPETITION SCHOLARSHIP

First and foremost, athletes must embrace AVSC's core values: Commitment, Teamwork, and Integrity. We expect athletes to be ambassadors for the Club and the greater Aspen community.

Furthermore, athletes must:

- Be a current AVSC Team athlete
- Have qualified for one of the competitions listed below in alpine, freestyle/freeride, cross country, or snowboard disciplines.
- Have approval from their Program Director
- Have a plan for bringing positive exposure to AVSC

Please note that negative press and social media exposure depicting behavior countering these values and standards will jeopardize awards.

DUE

Miah Wheeler must receive grant applications by March 15, 2024. Send applications to mwheeler@teamavsc.org.

Awards will be credited to the athlete's AVSC travel account if granted by April 1, 2024.
