

# Junior Seasonal Rentals 2024-25

The Ute Mountaineer, through the Aspen Cross Country Center, offers seasonal cross country equipment rentals for AVSC participants. The level of equipment available here is classified as entry level and performance, not high-end race. Equipment is on a first come, first serve basis and it is possible that we run out of equipment that fits your child. We will only rent skis, boots or poles that fit your child – otherwise it will ruin their experience at AVSC.

## Equipment Requirements by Program – Please check with AVSC program director to determine your equipment needs.

Bill Koch	Classic Fishscale Skis, Classic Boots & Classic Poles
Pre Devo 2 Day	Classic Fishscale or Waxable Skis, Skate Skis, Combi Boots, Classic Poles & Skate Poles
Devo	Classic Waxable Skis, Skate Skis, Combi Boots (or Skate & Classic Boots), Classic Poles, Skate Poles
U16 Nat Comp/ High School	Classic Waxable Skis, Skate Skis, Combi Boots (or Skate & Classic Boots), Classic Poles, Skate Poles

## Seasonal Rental Pricing

The determination to fit your child into “adult” or “junior” equipment will depend upon the size of your child (height, weight, shoe size), not the child’s age.

Jr Classic “Fishscale” Skis	\$70	Adult Classic Waxable or Skate Skis	\$100
Jr Classic Waxable or Skate Skis	\$85	Adult Combi, Classic or Skate Boots	\$80
Jr Classic Boots	\$45	Adult or Jr Poles (no charge with ski rental)	\$20
Jr Combi Boots	\$65		

## Reserving Equipment

We will begin taking reservations for seasonal rentals on the dates below. The Aspen XC Center staff will be available at the try-on nights. Please do not call the Ute Mountaineer about seasonal rentals – unfortunately the Ute staff is not trained on Nordic equipment.

## Equipment Pick-up – at Aspen Cross Country Center

Seasonal rental pickup begins at the Aspen XC Center during the week of Nov 11 – date and times still to be determined.

1. Equipment reserved at try on days – if waiver, security deposit & payment are completed, parents/juniors are not required to be present at pickup.
2. Equipment reserved google sheet – Please bring your child to confirm equipment fit. The child’s parent must also be present to a) sign legal liability waiver, b) pay for rental, and c) bring a driver’s license for security deposit.

-\*\*\*Label Your Equipment: There will be many kids with identical equipment storing their gear at the AVSC Clubhouse. This equipment always gets mixed up, so it is important that you label all pieces of rental equipment. Please do not write directly on the equipment. Blue Painter’s tape suggested.

## Equipment Return

- Rental equipment should be returned in full, clean, with tape/stickers removed and without damage. Missing or damaged gear will result in a charge.
- Parents are responsible for returning all of the gear they rented. Returning other people’s rental gear will not satisfy this responsibility.

Rental Return Due Date: All equipment is due back at the Aspen XC Center by March 23rd If you are done using the equipment, please return earlier so we can storage wax the skis and inventory them. If you plan to use the gear after March 23, we will allow you to keep it to mid-April, but you must communicate this to the staff at the Aspen Cross Country Center. After March 26 return gear to the Ute Mountaineer as the Aspen XC Center will be closed for the season.
