

YOUR AUDI AJAX CUP TEAM ROSTER CONSISTS OF:

- **A PRO:** You will be able to bid on your pros starting December 21st or will be randomly assigned one at the Pro Draw Party on December 28th. They're all ridiculously fast and ready to rip, so you can't go wrong.
- **TEAM CAPTAIN:** Whether you race or not is up to you! Choose four friends to accompany you and your pro or ask five friends to represent your team and cheer them on from the tent and sidelines.
- **YOUR TEAM MEMBERS:** Your racers must be available to participate in both the handicapping on December 29th and the race on December 30th.

Team Rosters are due December 14th!
