Dryland: – please see Meredith to get a locker (\$20 rental fee). Things to have in your locker: water bottle, healthy snacks, warm work out clothing, good running shoes, rain jacket, extra socks, hat and gloves. Dryland goes from 3:30 - 5:00 PM on Mon/Tues/Thurs/Fri. Wednesday dryland will begin at 2:15. We often go on longer training sessions on Wednesdays. We always meet at the club, but might take a van to hike. If you are going to be late, please get in touch with a coach.

Race and training calendar – See attached calendar. Day-week-year

Afterschool Training and Clubhouse –

- **U12 5-day** kids will have after-school training available from 2-5 PM on Tuesday, Wednesday & Thursdays from November 28 (weather permitting) through April 5.
- **3-day/week** kids will train after school on Wednesdays only from December 6 through March 21.
- Training course will normally be ready at 2 PM. Even if you do not have early release, you do not need to miss school, as we will have late lifts running until 4:45 PM.
- Please use your locker and the ski room for storage.

Team Travel Policy/Away Race Procedure/Billing – Team travel is only available to U14s and older athletes. For U10s and U12s the coaches will meet the kids at the base of the race hill the morning of the event. Communications regarding away races will be e-mailed approximately two weeks prior to each event. AVSC may reserve blocks of rooms at away races. We will inform parents if this is done.

Away Races U12/U10: Parents are responsible for race registration at www.myussa.org (couple of weeks before the race), lift tickets purchase, lodging and transportation, and getting kids to the meeting spot on time. You are there to have fun, show AVSC team spirit and to cheer on your child and his/her friends! AVSC

coaches will be at the morning meeting spot ready for fun filled race days! The extra cost to cover coaches' expenses at away races is charged by AVSC after these races.

5th graders – get your free CO Ski pass, the 5th Grade Passport, at <http://coloradoski.com/passport>
– ski areas may or may not honor the pass for ski races, but it's worth the effort (last ski season - Sunlight yes, Powderhorn no, Telluride yes).

6th Grade Passport costs \$105. May or may not be worthwhile.

Equipment: We recommend kids have one pair of junior all around race skis OR one pair SL and one pair GS with bindings to match. Also, one pair of old all-mountain skis (rock skis) is a good idea. Sizing for skis should be about nose height for an all-around ski, chin height for SL and forehead height for GS.

- Poles
- Boots (easy to flex please!)
- Helmet with removable face guard and hard ears
- Pole and shin guards are optional. Coaches will recommend when you're ready.

Wax order – We will be in touch regarding a wax order in the next few weeks
Tuning options

Uniforms: Team AVSC jackets (\$175) are available for sale. Uniform night will be Nov 28 for girls and Nov 30 for boys.

Concussions

Volunteer Opportunities

We are hosting many races this year and these races provide a great opportunity to get involved in your child's ski racing (and earn back your parent work deposit!). Here is a link to our hosted events page:

If you want to get more involved with our division and being part of races, please contact Pat.
Race official clinics will be held here in Aspen in early December.

Communication: Age Class Text Hotline – U10 - Text U10ALPINE to 84483
U12 - Text U12ALPINE to 84483
